## Experience

---

### HomeChef & Prongo

5/05/19 - Present

HomeChef & Prongo are the product of HMI Ventures, whose vision is to make world-class products outside Pakistan

### Centosquare

15/03/18 - 13/12/18

An average sized software company where I've with many international clients, and worked on several Apps & Website.

### Easeful media

9/07/17 - 4/1/18

This job was the starting point of my design career, this was actually a remote design agency where I've worked on freelancing projects.

---

## Education

---

### Iqra University (Main Campus)

12/02/15 - 20/03/19

I hold a Bachelors of Science in Computer Science (BSCS) degree.

### DA Degree College for Men

05/01/13 - 13/12/14

I took Pre-engineering & it opened a lot of gates for me later.

### Saint Michael's Convent School

1999 - 2011

Completed my O'levels from Saint Michael's Convent School, near 3 Talwaar, Clifton

---

## Achievements

---

### Microsoft Imagine Cup 2019

Out of 250+ projects we acquire Runner's Up position in this glorious competition which was held in Islamabad, all our expenditure from Karachi to Islamabad was covered by HEC. It was a proud moment for us because I along with my group partners worked really hard on this, and it really paid off.

---

## Tools I work with

---

### Designing Tools

Adobe Experience Design (Xd), Figma, Sketch, Invision, Adobe Photoshop CC 2019, Balsamiq Mockup, Post-its and my favorite of all Pen & paper.

### Collaboration Tools

Miro, Google Slides, Google Sheets, Google Keep, Balsamiq Mockup 3, Slack, Evernote, Trello, ClickUp
