## History

## Recommendations

“Vicky can help position anyone - a company or an individual - to make the most of social media in building a brand. I am thrilled when I have the opportunity to work with her, she gets the work done and it is always of the highest quality and best value.”

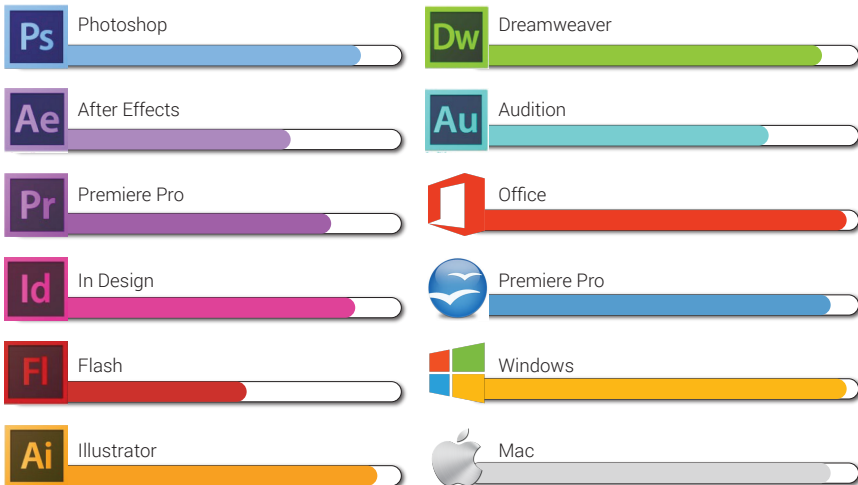

“Vicky has been a positive force in the growth of our company to the #3 largest Century 21 in the United States. Without her marketing and creative abilities, our firm would not be “The Official Real Estate Company of the Dallas Cowboys.” Her technology skills have also contributed to our company’s positive image, both internally and externally.”

“Vicky is a visionary when it comes to marketing. She also knows how to see a big goal and bring it to fruition. She is attentive to the details and her work ethic is outstanding. She understands marketing, marketing messaging and how to communicate for the company.”
