employment

creative director/partner Pixel Artists Design

2008 – present

Active in all levels of the creative process including managing a wide variety of print and web projects. Working directly with local business owners and outside vendors on a daily basis as well as collaboration with freelance photographers, writers, and web developers.

graphic designer Designs by Adina

2013 – 2014

In charge of the graphic design department. Utilize Illustrator and Photoshop to design the artwork for their etched jewelry. Recently designed light fixtures for Crafted Illuminations (<http://www.craftedilluminations.com>). I designed their branded collateral, including logo, and created all of the artwork and mechanicals for these specialty light fixtures; wall sconces, and pendants.

graphic designer Sperry Van Ness

2012 – 2014

Work with Marketing Department on re-branding SVN marketing collateral; social media graphics, new SVN logos, property brochures, Power Point presentations, Constant Contact event banners, svn.com website graphics and static web banner ads.

graphic designer (contractor) TRA360

2005 – present

Design and production of white papers, fact sheets and manuals for TRA's clients; Microsemi, Silicon Labs, RIM, TechTarget, Varolli and Utimaco.

graphic designer

Electronic House Publishing

2005 – 2008

Design and production of trade show collateral; direct mail, logo design and signage for Worship Facilities Expo, TechHome Builder Expo and Consumer HealthTech Summit. Also, responsible for designing the graphics and creating banner ads for the show websites.

art director

Bose Corporation

2003 – 2004 & 2006

Art direction and production on projects for the Home Entertainment, Automotive and Wholesale Departments. Created various collateral, displays and packaging. Received four Home Entertainment Division recognition awards and an Automotive Excellence Recognition Award.

graphic designer

HNTB Architecture

2001 – 2003

Design and production for architectural collateral; proposals, interview presentations, as well as trade show graphics. Also, designed and produced the quarterly Higher Education newsletter.

graphic designer

Cameron Design Group

1995 – 1999

Design and production of a variety of collateral and packaging for clients in the Boston area, including; Liberty Mutual, New England Funds, Houghton Mifflin, Spaulding and Reebok. Attended photo shoots, press proofs and assigned work to outside vendors.
