SUMMARY

I have worked in the entertainment industry for 20 years in art and animation and more recently as a producer, developing film and TV projects. I am well versed in the craft of film and television, theme park and game design, and have working knowledge of development, production and post-production. I am presently living in Melbourne, Australia.

LECTURER WORK

I have also worked as a lecturer on 2D and 3D Animation and Special Effects in 3 universities - The University of South Australia, Adelaide University and TAFE.

WRITER WORK

I have written 4 feature screenplays , 4 TV bibles and many short film scripts. I have also performed script coverage on several feature screenplays. I also write game design documents and have worked with programmers and artists in the US, UK, Australia and Russia.

FREELANCE WORK – (ongoing)

Producer - "The Nerd Lounge" The Nerd Lounge is a variety show that informs 'your inner nerd', including news, lifestyle stories and celebrity interviews.
