Projects

2019-10 - 2020-12

eJOHRI

www.ejohri.com

eJOHRI is India's first omnichannel fine jewellery marketplace dedicated exclusively to the online and offline shopping of jewellery across India. The portal gives an environment where the consumer finds customer feedbacks and referrals to make informed buying decisions.

2020-02 - 2021-04

FORM

www.theformart.com

FORM is an art platform that exists to make art affordable and accessible. It has successfully conducted multiple online Art Auctions, bringing together prominent collectors bidding for spectacular works from leading artists of the country.

2015-12 - 2016-03

bestcollegeart

www.bestcollegeart.com

Bestcollegeart.com is a unique art portal, which offers an amazing platform to the new generation of Indian contemporary artists for the world to discover and support. A key feature is to provide the artists a huge opportunity to sell their paintings for a justified price. On the other hand, it is also a good platform for art enthusiasts to explore and choose among the most beautiful paintings on this website.

2016-05 - 2016-06

iti

www.itibeyou.com

Iti is a Mumbai based women's wear brand. It is simple yet fashionable, elegant yet glamorous, for smart, sexy women who believe in themselves. Our job here was not to build something from scratch, but to fix what was not right and bring it up to the competitive standards which we have set for ourselves.

2016-06 - 2016-10

unfactory

www.unfactory.in

Unfactory is a collaborative e-commerce platform for independent artists, creators and the maker community.

2016-10 - 2017-01

indiakala

www.indiakala.com

Indiakala is a online shoping website. They offerings of traditional designs in fashion that are never going to go out of trend ,those are all home made production.
