

Alex S Hochstetler

Arts & Media

Why hello there! Thanks for taking the time to review my résumé. Right now, you're probably wondering what it is that makes me special enough for you to hire me. I could tell you about how hard a worker I am, my excellent communication skills, or my deep appreciation for collaboration and problem solving, but those are all boring. So instead, I'll tell you that I'm a nerd with a pension for daydreaming who always has an idea in his head and an imaginary lightsaber in his hand. Cheers!
