---

## Projects

### **Coffeobot**

May 2013 to Present

Members:Ian Suen, Chelsea Myers, Ross Reagan, Eric Martin

Coffeobot is an online series of comic strips and animated shorts written and created entirely by myself and my senior project team.

### **Sleepless Nights**

January 2013 to March 2013

Members:Ian Suen

The assignment was to design, model, texture and animate a character. The animation is influenced by a voice clip. The clip i chose is from the movie "Saving Private Ryan"

### **Flying Komodo Dragon**

June 2012 to August 2012

Members:Ian Suen

A hybrid between a giant golden crowned flying fox and a komodo dragon. For this project I created the concept design and model.
