3 people have recommended Jismi

"I have no hesitation in recommending Jismi. I have no complaints at all with her work and am impressed with her ingenuity and willingness to learn new things and the speed with which she picks them up. I wish I could tick all boxes above. They all apply to Jismi."

— **Les Ey**, was Jismi's client

"Jismi is a highly motivated, easy to work with android application developer. She has excellent communication skills and works with you to find a solution to your application's needs."

— **Mark Hufman**, was Jismi's client

"Jismi is an exceptionally capable and conscientious professional. She not only sets high standards for herself, she meets them! She is an excellent problem-solver who is methodical in formulating and testing hypotheses, and she persists until the problem is solved. I am very impressed with her knowledge, skills, integrity and desire and ability to communicate effectively."

— **Steve Levinson**, was Jismi's client
