Helped manage and run the grocery department. Duties' included filling, cleaning and training staff.

Lifeguard / Relief Duty Manager at DC Leisure Management Ltd

November 2009 - February 2011 (1 year 4 months)

Same Description as Job below Only difference is a private company called DC Leisure took over from Wellingborough Council

Lifeguard / Relief Duty Manager at Wellingborough Council

November 2002 - November 2009 (7 years 1 month)

Worked in a management role providing general supervision and maintenance of day-to-day duties at the pool whilst working as a lifeguard. I managed a team of staff, ensuring that a high level of customer support was delivered so complaints, accidents and disputes were effectively resolved. Additional duties included handling of money and site security owing to the responsibility of opening and closing of the pool.

Special Constable at Northamptonshire Police Force

November 2003 - November 2006 (3 years 1 month)

Worked as a police officer working with regular and other special constables. I did all the normal duties of a regular police officer.

Projects

Hællebæk Project

February 2013 to June 2013

Members: Aaron Morley, Kris Lianee Maini, Lars Andrew Føns Hartvig, Adrian Dimitrov

Business Case: Using Scrum techniques we as a team designed and built an application and database for a fictitious party planning company.

Strangers In The Night

February 2014 to Present

Members: Aaron Morley, Kris Lianee Maini

During the Nordic Game Jam 2014 we developed a trial version of an innovative first person hitchhiker simulator. The game was a finalist.
