

## PERSONAL STATEMENT

I'm a 29 years old Educator and Photographer from Delhi (INDIA) currently based in Noida. I love everything that has to do with Astronomy, Photography, Travelling, Industrial design and I feel a true devotion for education. I have 6 years of experience working as an Astronomy and Science Educator.

I'm ready for visiting places in India, outside and I love working with people, especially if they have the same passion I have for what they do.

Why don't we work together? Go further down to see why I am the man you need to hire!
