01 PROFESSIONAL STATEMENT

I am a remote Front End Developer & Wordpress Developer from Brussels.
Over the last 6 years I worked for clients from small companies to public Institutions, providing solutions to their business problems calibrated on their needs and resources.

Hand code HTML and CSS to W3C standards and have a strong understanding of WCAG 2.0 and front-end best practices as well as knowledge and experience with JavaScript, Webpack and framerwork like Vue Js.

I am confident using frameworks like Bootstrap, Flexbox andpreprocessors like Sass and Less.
I am also proficient in Wordpress development, making easy for clients to update and maintain a fresh quality web
