Goals & Skills

My prime goal is always to provide superb images and stellar customer service. I am skilled in capturing and processing high quality images and organizing materials for photo shoots, while displaying confidence and professionalism at all times. I'm also familiar with many different types of photography including real estate, event coverage, and portraiture. I have in-depth knowledge of advanced photographic tools, and can provide my own equipment and software.

Experience

The Twilit Lens / Proprietor & Chief Photographer

June 2013 - PRESENT, Wilton, NY / Fern Park, FL
