Address: st. Gutovskogo 59/31, Kriviy Rig - 50038, Ukraine

## Professional Summary

---

I am a creative and accomplished front-end developer with a wide range of skills.

I consider myself an individual who's able to develop and adapt websites with a keen eye for detail. I have over 3 years experience working to tight deadlines with a wide experience across situations. Self motivated, easily recognizing new online trends and learning new technologies whilst seeking the highest standards attainable. I consider myself to be a strong conceptual and creative developer.
