

Hi,

I am a individual Search Engine Optimization (SEO) specialist. And I will do your website's SEO for Google, Yahoo and Bing.

What I will do for your website's SEO ? For SEO, I will do below things:

**A- On Page optimization :**

- 1- Pages Optimized
- 2- Title Optimization
- 3- H1, H2, H3 Tags
- 4- Meta Description
- 5- Image Alt title Tags
- 6- Image Optimization
- 7- Missing files
- 8- Sitemap
- 9- On-going assistance (Maintenance)

**B- Off Page optimization :**

- 1- Directory Submission
- 2- Social Bookmarking
- 3- Blog/forum posting marketing
- 4- Link Building
- 5- Video marketing
- 6- Question and answer posting
- 7- Provide you contact information from free directories, So you can contact him about your site and business.

**C- Technical SEO :**

1- Improve Core Web Vitals (Google Search console)

Thanks

Amit
