

Freelance Digital Marketing Consultant

I'm a freelance Digital Marketing specialist dedicated to helping businesses grow their online presence. If you're looking to boost your visibility, generate leads, and increase revenue—hire me!

With over 6 years of hands-on experience in digital marketing and web design, I've worked with leading digital agencies before transitioning to full-time freelancing in 2011. Since then, I've been offering comprehensive services including SEO, SMO, PPC, and responsive web design.

What sets me apart? I build SEO-friendly websites that are not only visually appealing but also structured to rank well on Google—because only an SEO expert truly understands how to design for both users and search engines.

I've successfully completed numerous projects with 100% client satisfaction. In fact, I've been working with some clients since 2012, consistently helping them meet monthly lead generation goals with tailored strategies that evolve over time. I love working in long-term, results-driven partnerships.
