

Looking for an experienced marketer to help **create, manage, and promote a fundraising campaign for my YouTube channel**. Must understand how to grow community support, pitch engaging CTAs, and market across platforms like Patreon, Ko-fi, and GoFundMe. Bonus if you know how to integrate YouTube features like Super Chat and Channel Memberships.

Scope:

- Platform setup + goal strategy
- Video call-to-action scripting
- Audience engagement tactics
- Promotion (Reddit, Discord, Meta, email)

Please share examples of past campaigns or relevant case studies.
