SKILLS

ABOUT ME

Hello I'm Faisal Ahmmad. A civil engineer with good skills and knowledge with construction, structure, estimation and making BOQ etc. I also have good knowledge about architectural things because of my previous study field.

I am flexible, reliable and possess excellent time keeping skills. I am an enthusiastic, self-motivated, reliable, responsible and hard working person. I am a mature team worker and adaptable to all challenging situations. I am able to work well both in a team environment as well as using own initiative.
