Basic Facts		Photo
Date of birth:	17/Feb/1976	
Address:	Aleksinackih Rudara 16, Belgrade	
Phone:	+381 11 66 03 108	
Mobile:	+381 64 30 28 416	
Email:	dragan.milovanovic@gmail.com	
Education:	Faculty of Information Technology (FIT)	

Profile

I will not give up on finishing my job with excellence. Problem solver, highly motivated by tasks nobody else would like to tackle. Enjoying to build new teams, promoting team spirit and better communication between team members. Restless regarding learning new technologies and sharing knowledge with other.

Interests

Inspired by:

➢ object-oriented programming languages: C#, C++, Java, Ruby, Python
➢ platforms and frameworks: .NET Framework 2.0 – 4.5, Node.js
➢ modern IDE's for developing software: Visual Studio 2010/2012, Eclipse
➢ web frameworks: ASP.NET MVC, Ruby on Rails, Django, Angular, Bootstrap
➢ web development: HTML, CSS, XML, JavaScript, jQuery
➢ SOA: Business Process Orchestration, ESB (IBM WebSphere platform)
➢ software development: UML, Unified Process, Design Patterns, OOAD, TDD, BDD
➢ databases: SQL, Microsoft SQL Server, MySQL, DB2, MongoDB
➢ database development: T-SQL, SMO, ADO.NET, Entity Framework
➢ business intelligence, data warehousing and big data
➢ API Management and ways to develop good, intuitive and easy to use APIs
➢ IoT with emphasis on how to make things to talk and understand them more easily
➢ project management (Scrum, PMI), product management.
