

NEETHA BOSE

FINANCIAL CONSULTANT

"Just Be..." - says Neetha

She is a well-known Financial Expert and Investment Advisor. She has over 25 years of counselling and financial experience.

She is committed to empowering youth and women entrepreneurs.

With a background in Accounts, Finance and Taxation, she is the most sought-after person within the company and clients.

She helps clients put in place accounting standards & procedures, systems for planning of taxation and statutory compliances and exhaustive MIS. She coordinates and conducts internal audits, statutory auditors and looks into matters of compliances with the ROC.

With her network of contacts, investors, bankers work on various options of funding for clients. She is well versed with the Financial Services industry and with a team, manages a host of wealth-desks at corporates.

Fun loving, jolly and dynamic, she believes that once you let go, you are always on top of the world. Less of a mother and more of a friend, she loves to hang around with her daughter, giving motherhood a whole new definition.
