**Director at Tech Corp International Consultants Pte. Ltd. (Singapore)| International Business Advisory Services**

August 2012 - March 2016 (3 years 8 months)

Headquartered in Singapore, Tech Corp International Consultants is a technology business consulting company that simplifies international business for our clients. We aim to build a dynamic and diverse portfolio of companies and ventures under Tech Corp Group ([www.techcorpgroup.com](http://www.techcorpgroup.com)).

Our first venture, Tech Corp Capital ([www.techcorpcapital.com](http://www.techcorpcapital.com)) represents a new concept conceived by amalgamation of business accelerators and incubators to provide strategic business services to bridge the path between ideas and prototypes. We provide mentoring, consultancy, premier legal & accounting services through our network of lawyers & accountants, administrative assistance, access to capital, operation costs, access to investors, brand & logo development, PR and technical support. We work with the entrepreneurs to get their venture into the best possible shape for pitching to investors.

During technology transactions, we conduct project feasibility studies, joint venture partner search, buyers identification, and provide consulting services during Mergers & Acquisitions. We play a strategic role by reviewing business plans, identifying and targeting suitable investors, advising on deal terms, including venture-capital financings and key hire compensation arrangements.

Our legal consultancy covers all aspects of corporate law for a diverse range of clients. We assist in securities and capital raising, joint ventures, web & e-commerce, mobile apps & cloud computing, clean tech, life sciences, semiconductors and intellectual property transactions. We offer international expertise in creation & monetization of intangible assets (Intellectual Property) by protecting ideas, innovations, brands and products through Patents, Trademarks, Copyrights & Designs.

Please contact us for a complimentary, no-obligation 30-minute session to discuss the best strategy for your business. We would like to welcome you into our client database. Write to us at [contact@techcorpgroup.com](mailto:contact@techcorpgroup.com).
