Summary

Passion and diligence are two traits that I believe most reflect me as an individual. I have been interested in all IT-related things since the first time I touched a Computer.

My experiences have resulted in a diverse working background that includes knowledge of:
Moodle(E-Learning)
Web Development(PHP, HTML, Bootstrap)
Wordpress
Mobile Application Development
Social Media Marketing
Lead Generation
Business Development

Founder of 3 Companies with experience in handling clients and employees with each and every constraint in mind.
