

Experience:

Mr. Zampetti has more than 30 years and over 1000 projects worth of nationwide design and management experience. In addition to his single-family and multi-family projects, his work includes retail, commercial, and institutional designs for CarMax, IBM, Sylvan Learning, Thalhimier Cushman Wakefield, Lincoln Mercury, Time Inc, CVS, Jo Ann Fabrics, Proctor and Gamble, Sprint, Starbucks, Operation Head Start, Co-Op City, Ronald McDonald House, Gap, Ralph Lauren, Food Lion, Sam Adams, New York Hospital, the Tennessee Valley Authority, Virginia Commonwealth University, US Navy and many others. Mr. Zampetti creates value added architectural solutions using an innovative three dimensional Building Information Model (BIM) design process. Along with his talented staff, he focuses on exceeding client expectations through the use of careful listening, understanding, creative vision, cutting edge technology, environmental sensitivity, and the collaborative skills of the Owner/ Architect team.
