

RUDRA PATEL

MOBILE APPLICATION DEVELOPER & ENTREPRENEUR

PROFESSIONAL PROFILE

I have been developing iOS and Android Applications for the past 4+ years. I am a self-starter and my focus is to provide an upright work that meets your expectations.

I simply love programming and there is nothing more satisfying for a programmer than seeing their own work grow and eventually become the next big thing. I will be happy to share this knowledge and skills with you and make your application idea a reality.
