

SILMON TRANSLATION

TRANSLATION AGENCY

GENERAL INFORMATION

We are a bilingual translation agency, specialized in the management of English and Spanish languages. We are native professional translators with Spanish mother tongue. We are trained to fulfill your highest expectations in terms of time, budget, quality and needs that your translation works may require. We stand out for our versatility and flexibility to work with the fields of interest of each of our clients.

PROFESSIONAL PROFILE

Skills and abilities

- Responsibility and compromise
- High-quality translations with a humanized touch
- Speed and capacity
- Punctuality and agreements' respect
- Guaranteed work
- Professional use of Spanish and English
- Social networks and web pages management
- Professional writing
- Impeccable grammar and vocabulary management

OUR SERVICES

- Our area of expertise is the translation of English-Spanish or Spanish-English works.
- We work with a wide variety of texts: novels, blogs, web pages, emails, social media profiles, articles, scripts, songs, video games, books, subtitles, among others.
- We also offer specialized and technical translation services in the following areas: music and its derivatives, gastronomy, nutrition, and culinary chemistry.
- We accurately translate colloquial phrases and adapt texts to the required market, either Latin American or standard Spanish.
