Help early stage startups get funded for Seed and Series A rounds.  
Investor Relations Specialist – Faro Capital LLC

## Общие сведения

We're excited to help fellow startups, companies and projects fundraise by fully leveraging the value in their networks.

Corporates hire Investment Bankers to help them with fundraising.

We bring those services to Startups.

Fast attracting financing round for your Startup.

We focus on fast-growing companies with \$1 million to \$50 million in mid-cap.

Mostly interesting Series funding and some seed round startups in:

Software startups;

Machine Learning;

Pharma & biotech;

AI-based advanced hardware platforms and data-driven software;

E-sports; Green and Renewable Energy;

Cannabis;

Retail; '

Health-care;

Other interesting sectors.

Our Startup Bankers will help solidify your valuation, your funding strategy and crafting a narrative for prospective investors.

Fundraising is no cakewalk for even the most experienced founders.

We love taking on that challenge.
