Process Engineering

Chemical Engineering

Gautam Seth

Sr. Operations Research Scientist at Amazon
Bengaluru, Karnataka, India

Summary

Versatile engineer with 10+ years of experience in multiple streams such as operations research, refinery planning and scheduling, process engineering, optimization techniques, mathematical modeling techniques, neural networks, genetic algorithms, and software development.

Experience

Amazon

Sr. Operations Research Scientist
June 2016 - Present (4 years 2 months)
Bangalore

Optimal Solutions Inc.

Operations Research Specialist - II
October 2013 - May 2016 (2 years 8 months)

Honeywell

Project Lead
July 2011 - December 2013 (2 years 6 months)
Pune, maharashtra

Ingenious Inc

Sr Process Engineer
June 2008 - April 2011 (2 years 11 months)
Houston, TX, USA

Ulysses Systems

Knowledge Engineer
March 2007 - May 2008 (1 year 3 months)

AI designing and modeling, Contextual designing, Buisness Anasysiss.

Ingenero

Modeling / Process Analyst

July 2005 - March 2007 (1 year 9 months)

AI modeling. Simulations and designing, IPOG, LP programming

UDCT

Student

2001 - 2005 (4 years)

Education

University of Mumbai

· (2001 - 2005)

UDCT

Bachelor of Chemical Engineering, Chemical Engineering · (2001 - 2005)
