Passport No: GK9617361

### PERSONAL STATEMENT

I'm an Architect, Interior Designer and BIM 3d Visualizer from Islamabad Pakistan. I design new buildings, extensions or alterations to existing buildings and advise on the restoration and conservation of old properties. I can work on individual buildings or on large redevelopment schemes, and can be responsible for the design of the surrounding landscape and spaces. Working closely with clients and users, I make sure that projected designs match requirements and are functional, safe and economical.
