

# Elyannie “Ellie” Wilcox

**PATTERN MAKER | TECHNICAL DESIGNER**

---

## EXPERIENCE

### **DIGITECH DESIGN LLC - OWNER**

Dec 2019 – Present

Educational Content for aspiring Clo3D creators. Tech Tip Tuesday blog and Quick Start Guide to Clo3D beginner’s course.

### **3D PATTERN MAKER & CONSULTANT - FREELANCE**

Nov 2017 - Present

Assisting various brands with design and development utilizing Clo3D and Adobe Illustrator to draft, digitize and grade patterns. Aiding in exporting DXF files for cut and sew factories. Consulting on sizing, fit and functionality. Wide breadth of products developed—from athletic and performance wear to specialty goods, medical and wearable tech.

### **ASSISTANT PATTERN MAKER & GRADER – SOUTHEASTERN PERFORMANCE APPAREL (FULL TIME)**

Feb 2016 – Feb 2022

Pattern making, grading, design, and development. Occasionally assisted with marker making, sample making, cutting, fittings, and design meetings. Pattern making and 3D sampling utilizing Optitex 3D software and occasionally Optitex Modulate for special cuts. Utilized 3D samples for fit review across women’s and girls’ size ranges.

### **SEAMSTRESS & PATTERN MAKER & GRADER – UNIVERSAL ORLANDO RESORT (FULL TIME)**

Aug 2011 – Dec 2015

Created patterns and constructed costumes for events, shows, and characters. Millinery (hat making) for Wizarding World of Harry Potter. Garments varied extensively from period pieces, Hollywood glamour, animated characters & and out-of-this-world creations designed by the creative director. Experienced working with real silk chiffon, Swarovski crystals, heavy beading, stilt costumes, and elaborate headpieces.
