## E X P E R I E N C E

**BX. DESIGN STUDIO** | Feb 2021 - Present

Founder, Master Interior Architect

*I have recently founded my own interior architecture and sustainable design company based in UK, providing the following services that I am now able to give with full efficiency thanks to my previous experiences and education: Bespoke Furniture, Interior Design, Tutorials for design software (AutoCAD, SketchUp, 3DsMax, V-Ray, Corona, Photoshop), 3D Visualisation / Rendering, Sustainable Design and Consultation, Graphic Design, Tv Set and Theatre Stage Design, Speculative and Conceptual Design & Design Research, Online Webinar and Workshops, Technical/Detail Drawings, Construction Site Management.*

**HAZER DESIGN STUDIO** | Dec 2020 - Present

Interior Architect and Sustainability Consultant

*During my time working with Hazer Design Studio my main role was to contact the clients, get the project details and co-designing while maintaining the communication with the client.*

*In addition to the design process, I also provided consultation regarding sustainability and sustainable interiors, both to our clients and to my co-workers.*

*During my last month with Hazer Design Studio, I've tutored the other interior designers on various design software, focusing on 3dsMax and Corona Render.*

**BIANOS OFFICE FURNITURE** | Jan 2021 - Present

Freelance Furniture Designer

*I work as a freelance furniture designer with Bianos by Turgutlar Group which focuses solely on office furniture and I will have the honour to be the designer of their upcoming collections.*

**TURKRAPFM** | 2019

Social Media Content Creator

*During my time at Turkrapfm, I worked as a graphic designer specialising in social media content and I was both the designer and the editor of their social media.*

**İKİ MİMAR** | 2018

Interior Architect (Office Internship)

*During my internship at İki Mimar, I've witnessed the design process of big-scale projects like the Bursa Mercedes-Benz branch and I've worked on the documentation of the project, excelling in Excel and detailed documentation, pricelists and catalogues.*

**AHŞAP TERZİSİ** | 2018

Interior Designer (Field Internship)

*During internship at Ahşap Terzisi, I had the opportunity to see the production and assembly process first-hand, I've been to several production ateliers and construction sites where I've learned a lot about different materials, their usages, productions and overall construction.*
