PERSONAL PROFILE

My area of expertise is in graphic design for more than 2 years with **adobe** experience. And I am mostly an expert in **Logo designing**, **Poster designing** and **E-book cover page** designing. I'm using **Adobe Photoshop** and **Illustrator**. I have experience using these tools for more than 2 years.

ACADEMIC BACKGROUND

Matriculation Science
Intermediate In Progress
Diploma in Graphic Designing

I took the school's long and rigorous many Designing courses, which pushed my abilities to the limit and honed my expertise.

EXPERIENCE

Graphic Designer

2018-2021 Freelancer
