Summary

“Successful Trading Begins With Knowledge; experienced Forex and Crypto investor since 2009, having in-depth knowledge of trading and its psychology, handling portfolios of many big and small traders across the globe. I cover are Forex, Stocks and Crypto. I use manual and automatic advanced trading techniques based on pure technical analysis through price action and fundamental factors. Out of my 12 years of knowledge and experience, I have developed a highly efficient Trading system with many technical and accurate trade indicators unknown to any common man, and I share the same.

You are also involved in the watch business. We are professionals. The better the relationship, the better the outcome. Can we exchange our experiences so that we both can be mutually beneficial? I can benefit you in every way. Especially if you are a watch dealer

We're building a watch dealer ecosystem so they can manage their business and transact online. We provide dealers with a complete solution for viewing client relationship management systems (CRM), inventory management systems (IMS), point of sale systems (POS), and website hosting tailored specifically for the watch industry. These platforms have many robust features, including sourcing and selling watches (B2B), shipping, etc.
