I will create your shopify dropship website with USA suppliers

shopifyxpertbd1 Level 2 Seller | ★★★★★ (119) 1 Order in Queue

About This Gig

Dropshipping within fast shipped time products!

I'll use Spocket app which have all the suppliers from US/EU to deliver products in short time. It's a best solution if you have quit others suppliers due to long delivery time duration.

97.5% of dropshippers FAIL from critical, easily avoided mistakes.

I'm here to help you launch your dropshipping empire quickly & easily.

Service Included:

- ★ Professionally designed store
- ★ Help to find profitable niche
- ★ Hand-vetted top selling products for your niche
- ★ Pages (About, Contact, FAQ, Privacy Policy, TOS, Refund)
- ★ Trustworthy brand & logo creation
- ★ 1 advertising video ready to go
- ★ Top converting apps set up
- ★ Social media pages connect
- ★ A store built to CONVERT!
- ★ + Aftersale Support and so on..

Why Spocket?

- ★ Shipped from USA
- ★ Shorter delivery time
- ★ Provide option to use your own branding
- ★ High-quality products
- ★ Top dropshipping suppliers of original USA products
- ★ Automatic processing
- ★ Real-time Inventory Update
- ★ Global pricing rules
- ★ Shipment tracking number

How it works

Here are the steps to complete your **Premium package** project: ①

- 1 **Website Spec**
I'll discuss your project requirements and your vision for your site. I'll also discuss details about store niche/sector, type of products that I'll be using, and design ideas.
This step includes: ■ Your feedback
 - 2 **Content upload**
I'll upload quality content (ex. text, logo, images, videos, titles, and more) to your website.
