🗣 English (B1)

I'm an engineer by nature: had a lot of experiments on both server side (PHP / Python, but prefer Node.js) and client side (a few projects with React / Vue.js / Angular).

EXPERIENCE

- **Back-End Engineer (Node.js)** | Jun 2023 - Present | JUPI PLUS

Online booking (hotels, hostels etc.) for Lithuanian market (**NestJS, GraphQL, PostgreSQL**).

Web platform for unique items auctions and raffles processing (**NestJS, TypeScript, MongoDB**).

- **Full-Stack (Python, React)** | Jun 2022 - Mar 2023 | Freelance

Stack experiments and various web projects implementation, worked with outsourcing teams as a freelancer.

- **Back-End Engineer (Node.js)** | Oct 2020 - Mar 2022 | LAMPA

Level Method - website with workouts planning & exercises videos (**Express.js, TypeScript, MongoDB, Mongoose**).

Bloggerly - commercial platform for bloggers and business for managing the advertisements and content (**Express.js, TypeScript, MongoDB, Mongoose, Mailgun, Twilio, Firebase Cloud Messaging**).

BerryGo - app where you can find all available trade points with fruits & vegetables on map, as well as all information about these points (**Express.js, MongoDB, Mongoose, Google Places API, AWS S3, Firebase Cloud Messaging**).

Aller-Retour - cashback system for shops and restaurants (**Express.js, MongoDB, Mongoose, Firebase Cloud Messaging**).

- **Back-End Engineer (Node.js)** | Oct 2019 - Sep 2020 | Magisoft Solutions

Education Classroom - CRM system similar to Udemy, includes: users authentication & authorization (educational institution owners, teachers & students), CRUD (programs, classes & video courses), evaluation system (**Express.js, TypeScript, GraphQL, TypeGraphQL, PostgreSQL, TypeORM, Redis, Jest, Docker, Docker-Compose**).

Kaif - website for hookah bar (**NestJS, TypeScript, GraphQL, PostgreSQL, TypeORM, Docker, Docker-Compose**).

Magisoft - company's official website (**Express.js, MongoDB, Mongoose, Docker, Docker-Compose**).

- **Full-Stack (PHP, JavaScript)** | Oct 2018 - Jan 2019 | devToday

Websites development & support.

- **Web Developer (JS)** | Nov 2017 - Jan 2019 | Vinnytsia State Pedagogical University

Internal educational platforms development, integration & support.
