- Urdu
- Pushto

WORK EXPERIENCE

I have been successfully working for 1+ years in Amazon FBA Private Label and assisted many struggling Amazon FBA sellers to build their Amazon store. Handled around 14+ accounts of each type (small, medium, and big).

- Had been selling on Amazon for the past 1 year
- Had given solutions to a number of clients about Amazon
- Working as a Founder, CEO and had been working as a team leader for small agencies.
- Boost sales in dead listings for struggling from the US and UK
- Had hunted 100s products for potential Amazon Sellers

EDUCATION HISTORY

FEDERAL URDU SCIENCE UNIVERSITY

Bachelor of Business Administration, 2019– Present

- President, Marketing, and Management Events
- Vice President, Programming Club
- Member, Video Game Society
- Member, Student IT Helpdesk

EXTREME COMMERCE - 2019–2020

- I took a 6 months course of Extreme Commerce, the biggest commerce platform in Pakistan. I learned about Amazon's FBA business which includes how to be a top Amazon FBA private label seller within a year. Practiced and learned various skills like product research, keyword research, listing optimization, PPC, etc.
