Co-Founder

Daakhlah

Nov 2020 - Present (2 years 2 months +)

Daakhlah Institute of Entry Test, a technologically equipped digital platform, is one of its kind in Pakistan that offers an incomparable learning experience through an interactive light board. It holds expertise in Entry Test Preparation with 24 hours supportive portal system. It is a unique blend of technology and convention that offers home-based offline study facilitation.

Salient features are:

- Interactive recorded video lectures
- Topic wise & FLP discussions

- 24 hours off-line study
- Conducive learning opportunity
- Standardized question bank for practice
- Scheduled study scheme
- Weekly performance reports
- Reward based testing
- Student-Teacher live discussions
- Lecture delivery through SD card/USB
- Smart and convenient study packages

The ideology and the value that Daakhlah carries is all-time offline accessibility to not only the studying material but also the complete preparation schedule to all students without having to go to academies, tuition centers, or individual subject-based studies.

Daakhlah is a one-stop choice for guaranteed success. So, step forward and grab the future at your doorstep.
