Testimonials

★★★★★

I bought 2 of these fountains - one for work and one for home. They are AMAZING especially for the price!! I spent a few weeks debating on buying this but I'm so glad I did.

★★★★★

So I wanted to have the sound of water in my office, I also wanted a place to display some of my rocks and stones. This little fountain fit the bill and more.

John Free

★★★★★

After being a hard loyal Roomba family, it was super to make the decision to try something new. The Roomba kept getting stuck under furniture
