Summary

As a co-founder of Macrame Consultants, a Chartered Management Accountants firm, I am committed to helping businesses succeed by providing expert management consulting services. With over 10 years of experience in the finance industry, working in Construction, FMCG, IT, and Telecom, I have gained valuable insights into the workings of diverse businesses.

During my ACCA, I spent a decade working in various finance roles, where I honed my skills in financial management, business strategy, and analysis. Now, as a management consultant, I use my expertise to help businesses build a solid foundation, manage risk, and grow strategically.

At Macrame Consultants, we provide turnkey services for entrepreneurs, from registering their business to setting up and fulfilling all compliance requirements throughout the year. Our services include financial planning, budgeting, forecasting, tax management, risk management, compliance, and business strategy.

At Macrame Consultants, we take a collaborative approach to helping businesses succeed. We work with entrepreneurs to identify their goals and build customized plans that align with their vision. Our team provides ongoing support and guidance to ensure that our clients achieve their business objectives.

Whether you're a young entrepreneur looking to start a new business or an established business owner looking to take your company to the next level, Macrame Consultants is here to help. We're passionate about helping businesses succeed, and we look forward to working with you.
