## Golden Mile Estates

### Digital Marketing Manager

June 2024 - December 2024 (7 months)

Spain

Excited to announce that I've joined Golden Mile Estates as a Digital Marketing Manager in a full-time, remote position, a role I discovered through Upwork. At Golden Mile Estates, I will be spearheading digital marketing strategies to enhance our online presence, drive engagement, and boost lead generation.

Golden Mile Estates has been in the real estate industry for over 20 years. We take great pleasure in the high calibre of service we offer and the extensive network of contacts we have in every corner of the industry. We assist you in choosing the ideal property for your needs at every step of the process, from your first introduction to Marbella to the legal purchase procedure and, most importantly, after you have made the purchase. We are available for anything you might need, from restaurant recommendations to complete property renovations. Serving you is something we take great delight in!

With a strong background in social media management, SEO, SEM, and content creation, I am thrilled to bring my expertise to this dynamic team. I look forward to developing innovative campaigns and leveraging data-driven insights to achieve our marketing goals.
