# Abolarin Promise

Senior Data, Research & Economics Officer, Tongston Entrepreneurship Group | Data Analyst | M&E expert  
Abuja, Federal Capital Territory, Nigeria

## Summary

Abolarin Promise is an experienced Data analyst with over 5 years of experience, specializing in Data Analysis and Monitoring and Evaluation (M&E). With a background as an educator, he brings a unique perspective to his work. He excels in designing comprehensive M&E frameworks that align project activities with desired outcomes and impacts. His ability to create data collection instruments ensures data quality and integrity throughout the process. Through meticulous data analysis, including data cleaning, exploratory analysis, and statistical techniques.

He has worked for several organizations such as Thel's Impact Consulting, Data Statics Limited. Currently manages a team of experienced data analysts and scientists, providing guidance, mentorship, and fostering a collaborative work environment at Tongston Entrepreneurship Groups.

Overall, Promise Abolarin is a dedicated professional with a proven track record in data analysis and M&E. He continuously seeks opportunities to contribute to meaningful projects and drive positive change through data-driven insights.
