About Me

I am a highly creative and results-driven Graphic Designer and Marketer with 5 years of experience in developing visually compelling designs and strategic marketing campaigns. My expertise spans across brand identity design, digital marketing, social media management, and content creation. I am adept at translating client visions into impactful visuals and executing marketing strategies that drive engagement and growth.

Experience

Marketer

Designed and executed comprehensive marketing campaigns, increasing brand awareness by 30%. Created visually compelling graphics and promotional materials for diverse media platforms.

2019 - 2020

Graphic Designer

Developed innovative graphic designs for digital and print media, enhancing visual branding. Created high-quality logos, brochures, and advertisements for a diverse client base.

2017- 2019
