- Recognized for academic excellence by securing a position in the top 1% of the school board in Class 12th.

Projects

Race Course | PHP, *HTML , JavaScript, PostgreSQL*   Sep 2024

- The Race Course Game allows users to place bets on their chosen horse before the race starts.
- During the race, horses run with random speeds, ensuring unpredictability and excitement.
- The outcome is determined randomly, adding an element of luck and fairness.

- Users can place bets using their available funds on one or multiple horses.
- Winnings are calculated based on the odds of the horse they bet on and the race results.

- Players can add funds to their accounts by redeeming coupons generated by the admin.
- These coupons act as a secure and controlled method of fund addition.

- Admins have full control over user accounts and coupon management.
- They can add, delete, and create coupons, monitor transactions, and oversee user activity for security and fairness.

- The game encourages strategic betting as users analyze the odds and performance trends of horses.
- Randomized speeds keep the gameplay engaging and ensure no two races are the same, attracting repeated participation.

Skills

Programming Languages: C programming , Python, JavaScript , JAVA
Web Development: HTML, CSS, PHP
Databases: MySQL , postgreSQL
Design: Canva, Adobe Photoshop
Coursework: Data Structures & Algorithms, Computer Networks, Database Management Systems, Object-Oriented Programming

Certificates

- **Oracle Database 12c: SQL Fundamentals** (*Issued by*: HackerRank, June 2024 *Credential ID*: 7FB683FF8FDC)
- **Python Programming** (*Issued by*: HackerRank, June 2024 *Credential ID*: 0FC71D8DE0E2)
- **SQL (Basic)** (*Issued by*: HackerRank, June 2024 *Credential ID*: CAE07B0937BE)
- **The Fledgling (Core Java)** (*Issued by*: Infosys Springboard, June 2024 *Credential ID*: 836IW54LX3)
- **German Language A1 Level** (*Issued by*: SevenMentor Pvt Ltd, April 2024 *Credential ID*: S002:2015)
- **C Programming** (*Issued by*: The Code Culture, December 2023 *Credential ID*: 2201322)
- **Smartphone Photography** (*Issued by*: Fergusson College, Pune, February 2024)
