My Rise CV

Salau Abiodun kazeem

Instructional Designer

Profile

As a seasoned learning professional, I have developed a comprehensive learning curriculum consisting of more than 100 courses for blended as well as self-paced learning. I have successfully delivered interactive learning programs on various topics, including sales, health management, insurance, business acumen, and telecommunications, to over 5,000 learners.

To create courses that meet learners' needs and align with business objectives, I use the ADDIE model and collaborate closely with SMEs and business leaders to develop content that is informative, engaging, and relevant. I am proficient in various e-learning development tools,

including Articulate Rise, Storyline360, and Camtasia. My experience and expertise make me a valuable asset to any organization that values employee development and growth.
