# Aqib Rasool

## GRAPHIC DESIGNER

Aqib here. I am a professional graphic designer with an experience of 4+ years. Let my field of expertise collaborate with your level of imagination, so together we can create an exceptional brand image. Something which creates an impact. Impact which screams for its acknowledgment without you needing to do so. Let us make wonders together in this field of designing. Keep exploring! I work with my customers until they are 100% Happy with my work, nothing less

## EXPERIENCE

2018 - 2022

Freelance Graphic Designer

- Drawing and Sketching idea or concept of Designing to client's request

2019 - 2021 At AMCO

2022- Present At Apsotech Company

## GRAPHIC DESIGNER

I am a Graphic Designer in AMCO offering skills in logo design, packaging design, web design and illustration. I am a highly motivated and creative full time freelance artist with more than four years industry experience. As an expert visual artist, I can make your brand stand out and get noticed. Whether you're a larger organisation, small company or an individual, I treat every design with the same high degree of ambition and attention to detail with fast turnaround time and effective communication.
