MONTH 2005 - MONTH 2012

PROJECTS

Project/ Alibaba—.com

Hi, Welcome to my /CV/. I have experience of working in different industries since 2017. The first job was in a remittance industry which helps me to learn a lot about professionalism and I enhanced my skills during the 4 years tenure of my job. It taught me to handle people from different countries and how we should cater the needs of your customers/partners. I worked 1.5 years
