VINAY P

.NET Developer

PROFILE

Dedicated .NET Developer with 3.5 years of experience in building scalable web applications using .NET Core, ASP.NET MVC, C#, and SQL Server. Proficient in designing and implementing RESTful APIs, cloud services, and frontend technologies. Passionate about writing clean, maintainable code and optimizing application performance.

WORK EXPERIENCE

.NET Developer

- Developed scalable web applications using .NET Core, MVC, and SQL Server.
- Built microservices-based architecture to improve performance.
- Integrated third-party APIs and cloud services.
- Worked closely with Agile teams to deliver solutions on time.

Software Engineer

- Developed REST APIs for multiple applications.
- Implemented unit testing and performance optimization strategies.
- Designed frontend UI components using Bootstrap and jQuery.

EDUCATION

- **Parul University | 2018-2022**

Bachelor of Engineering in CSE

Projects Worked Upon:

Cimpaas Portal
- Developed a cloud-based platform for managing gas and electric meter connections, automating workflows, and integrating various services.
- Utilized .NET MVC, LINQ, SQL Server, RESTful APIs, and Entity Framework to build a robust and scalable solution.

EVC Portal
- Created a web-based Electric Vehicle Charging (EVC) Portal for scheduling, managing, and assigning appointments for charging stations.
- Implemented using .NET MVC, SQL Server, RESTful APIs, and Entity Framework for seamless data management and integration.

SalesAgent Portal
- Designed and developed a SalesAgent Portal for managing sales agents, assigning tasks, and tracking performance.
- Built using .NET MVC, .NET Core, SQL Server, Entity Framework, and RESTful APIs, ensuring efficient task management and reporting.

TECHNICAL EXPERTISE

- Backend: .NET Core, ASP.NET MVC, C#
- Frontend: HTML, CSS, Angular, JavaScript
- Database: SQL Server, Entity Framework, Dapper
- API Development: RESTful APIs, Web API, JSON
- Cloud & DevOps
- Version Control: Git, GitHub
- Other Tools: Visual Studio, Postman, VS Code, TFS

SOFT SKILLS

- Strong Analytical & Debugging Skills
- Effective Communication & Team Work
- Agile & Scrum Methodologies
- Time Management.
