

Welcome my gig

hello dear

My name is Hamza and I work as a virtual assistant. I have three years of experience in affiliate marketing. I do affiliate marketing for all types of e-commerce . I pick up Amazon's product links and do PPC on social media. And in it eBay Shopify Amazon esty Walmart I share their links and promote them on social media because it will rank your website and increase your sales. Because it is the best and easiest way to get traffic. That's how I've done affiliate marketing for quite a few e-commerce platforms. And has made a good margin for the client. And I guarantee that you will never be dissatisfied with my work
