## Experience

### Graphics Designers

**2020 - 2022**

As a Graphic Designer proficient in Photoshop, CorelDRAW, and Illustrator, I worked at Mugal Studio there I improve my skill .I crafted compelling visuals, improved image quality by 20%, and enhanced brand recognition for clients. My creative skills and efficient workflows resulted in consistent and impactful design outcomes.

### Data Entry

**2015 - 2020**

I worked as a Data Entry Clerk at Badshah computers from 2015 to 2020, efficiently managing inventory, sales data, and customer records. I had learn a lot of things about MS excel MS word and Ms powerpoint. My contributions reduced data entry errors by 15% and improved inventory management. I also provided valuable insights through data analysis, aiding informed decision-making. This experience enhanced my organizational and problem-solving skills

### Physical & Digital Artist

**2015 - 2020**

While working as a Data Entry Clerk, I pursued my hobby of 3D modeling and animation through online courses. This passion allowed me to gain proficiency in creating 3D models and animations during my free time. It provided a fulfilling creative outlet alongside my data entry responsibilities.
