

Mehwish Boota

Project Executive & Strategic Innovator

I am a Project Executive at Eight Veer Ltd, steering high-impact, cross-functional projects. I am an expert in Digital Transformation & Business Strategy, merging emerging technologies with robust business development. I focus on Stakeholder Engagement, operational excellence, and delivering measurable client success. As an innovative leader, I have a proven track record of unlocking new market opportunities and driving revenue growth.

Driving Business Transformation & Operational Excellence Across 14 Specialized Capabilities

KEY ACHIEVEMENTS

Project Leadership Excellence: Spearheaded high-impact, cross-functional projects that successfully delivered digital transformation and business growth initiatives, resulting in a 25% improvement in operational efficiency.

Client-Centric Delivery: Oversaw project timelines, budgets, and stakeholder engagement, delivering projects that not only met but exceeded client expectations, achieving a 95% client satisfaction rate.

Risk & Change Management: Managed complex project risks and change management processes, ensuring minimal disruption to client operations while delivering high-quality outcomes within scope and budget.

Revenue Growth & Market Expansion: Drove the expansion of new market segments through successful project execution, leading to a 30% increase in client portfolio and boosting overall revenue.

Innovation in Service Delivery: Led the introduction of 3 new service lines in Emerging Technology & Digital Transformation, positioning the firm as a leader in these sectors and contributing to enhanced client retention.
