Graphics Designing

July 2023 to Present

I hold a professional graphic design certification from the Saylani Mass IT Training Program (SMIT), where I gained expertise in design fundamentals like typography, color theory, and visual communication. Proficient in Adobe Creative Suite, I applied my skills to various hands-on projects, creating versatile designs across print, digital, and social media. This certification highlights my ability to tackle diverse design challenges and stay updated on industry trends, ensuring I bring creativity and innovation to every project.
