## PROFESSIONAL CAREER

### President, CEO and Head Salesman

*Moustrak dba Pyramid.Net | 1984-2017*

I transformed my mouspad manufacturing company into an Internet Service Provider in order to educate the public and provide a service that was not currently available.

### Technical Field Representative

*Sonoran Solar Power Consultant | Summer 2010 - current*

I earned the moniker of fastest rising salesman in gross sales by designing the layout for industrial systems for farms and factories.

### Interim Chief Of Operations - COO

*Data Base Group - DBG | Summer & Fall of 2007*

I assisted the CEO and the partners with marketing, sales and employee management during an internal sale of the firm.

### BlokBroker

*BTC mining and sales complex 2011 to current day*

I broker large scale equipment purchases and hosting deployment in the crypto industry, That in combination with my personal mining enterprise is a profitable hobby and study focus.

### Personal Services

*Consulting on different projects in different disciplines | 1984 to current day*

Engaged as consultant for hedge funds trading operation.

## ACADEMIC BACKGROUND

### Embry Riddle University

*Bachelor of Science | Aeronautical Science*

I graduated in June of 2003 near the top of my class and was asked to teach advanced mathematics at Top Gun in Fallon.
